It's coal combustion residual. The PA facilities identified for the crypto currency are not currently on the list as being under this program because they are identified by PA as using "waste coal," **Ex. 5 Deliberative Process (DP)**  
**Ex. 5 Deliberative Process (DP)** its something we should listen to. Not sure if it has a direct CAA tie in, but we should get a base understanding.

Thanks

No separate. I can't seem to forward it. Sorry I confused the dates, the prep meeting is actually Thursday 2/10 at 2pm.

Hi,

The RA is having a meeting with some Division managers on Monday about the cryptocurrency issue. Karen has scheduled a pre-brief meeting for tomorrow just to touch base on what we've learned. You will be seeing an invite.

Thanks

Kris
